

Land of Forgetfulness

Psalm 77:11-14

09/13/2020

The problem wasn't that the Israelites didn't know God's words or that they hadn't seen God's works, it was that they seemed to forget it all in The Land Between.

- I. They forgot God's words
 - A. God spoke His words to Moses (Exodus 3:7-10, 16-22)
 - B. Moses spoke His words to Aaron (Exodus 4:27-28)
 - C. Aaron spoke His words to the people (Exodus 4:29-30)
 - D. The people said they believed His words (Exodus 4:31; 24:7)
 - E. The people quickly forgot the His words (Exodus 4:11-12; 16:3; 17:3)
- II. They forgot God's works
 - A. The humiliation of Egypt's "gods" (Exodus 17:10-11; Numbers 33:3-4)
 - B. The decimation of Egypt's economy (Exodus 9:6; 9:25; 10:14-15)
 - C. The plundering of Egypt's people (Exodus 3:21-22; 12:35-36)
 - D. The destruction of Egypt's army (Exodus 14:23; 14:28)

So What?

- Satan wants us to forget God's words and works in The Land Between.
- God wants us to remember His words and works in The Land Between.
- Society needs us to remember His words and works in The Land Between.
